Many thanks to local dealers with measuring and our customers and dogs for lovely photos

Universal or Custom Made
First for choice, rear view visibility, ventilation and comfort for your dogs.
No compromise on welfare or safety.

Custom made box with storage tray, removable divider panel and escape hatch.

Universal models made to fit several vehicles for average sized dogs. DB6 Hi-Top shown.

Optional Extras

We recommend a rubber mat cut to size for comfort for the dogs and to reduce sliding. New bumper flaps also available. We can provide machine washable fleecy bedding. A non-spill bowl is also useful.

Universal models can be made to fit a vehicle eg. DB2000 as shown.

Boxes are built to a height to suit you. Boxes have a mesh top as standard but solid tops or higher tops in solid or mesh are also available on request.

Options still available on Universal range to suit you and your dogs.

Optional Features

- Bumper Protector *as above*
- Key Locking Doors
- Heavy Duty Catches
- Solid High Top
- Mesh High Top
- Solid Top (Flat)
- View Panel
- Mat for Floor
- Divider Panel
- Top Tray

For storage, a top tray can be fitted.

- Metalwork finish, choice of galvanised, stainless steel or new standard black eco-friendly twinpack polymer finish
- Escape Hatch
- Equipment Drawers/Safes
- Equipment Cradles
- Colour Choice
- Heavy Duty Matting
- Handles
- Single or Double Doors
